

ESTONIAN GROUPS TO EUROPEADE in MARTIGNY 2008

Women folk-dance group „Tökkroes“

Muhumaa, EE

mrs. Anne Keerd

We live, work and dance on one of the small Estonian islands – Muhu. We have been getting together for 4 years already, all these years have been workful and joyful. Women of the island are tough – the don't give up before the dance is well done. Our attitude towards life is positive – if something is mixed up we try it again with a smile. We do associate well and wear our national costumes with pride.
